

OAWU Training

Contact the office to request adding a class to our training calendar: (503) 837-1212

3 Rule Update
Adult CPR/Automated External Defibrillator
Advanced Control Valves
Bacteriological Sample Collection/ Water Main
Disinfection
Basic Introduction & Fundamentals for O&M of a
Water System
Basic Water Quality
Board Member Workshop, The
Board Training
Chemical Feed
Chlorination
Chlorine Safety & Handling
Confined Space
Consumer Confidence Reporting
Control Valves
CPR
Dealing with Developers
Developing Your Operations & Maintenance Manual
Disinfection Technology
Excavation Safety
Filter Maintenance
Forest Management & Your Drinking Water
Funding Practices
Gas Chlorination
Ground Water Disinfection Rule
Hazardous Material
Health & Safety
History of Water Treatment
How to Conduct a Vulnerability Assessment
Introduction to Risk Communications
Introductory Class for New Water Operators:
O&M/Basic Math
Lagoon Operations & Maintenance
Lagoon Operation & Troubleshooting
Leak Detection
Lock out/Tag out
Making Sense out of the Ground Water and Other
Rules
Math for Operators
Math Made Easy
Mixed Media Filter Operations & Maintenance for
WTP Operators
Monitoring Requirements
MSDS
Operation & Maintenance of Valves & Fire Hydrants
Project Inspection & Management
Proper Management Procedures
Pumps & Pumping
Rate Setting Workshop
Regulation Update
Safe Drinking Water Act Update
Security & Emergency Management System (SEMS)
Sedimentation/Filtration & Chlorine Disinfection
Selection, Operation & Maintenance of Water
Reservoirs
Setting Water & Wastewater Rates
Small Wastewater System O&M
Small Water System O&M
Small Water System Training Course
Small Water Protection Planning
Stage 2 DBPR/IDSE
Stream Flow Measurement
System Capacity Development
System Management
Treatment Technologies
Troubleshooting Activated Sludge
Troubleshooting Lagoons
Use & Maintenance of Mechanical Seals
Utilities Board Member Training
Valves & Hydrant Basics
Vulnerability Assessment
Wastewater System Operation & Maintenance
Wastewater Treatment/Collections Certification
Review
Water Distribution System O&M
Water Distribution Tools
Water Filtration Plant O&M
Water Management Conservation Planning
Water Meters
Water Rights
Water Storage Tanks 101
Water System Emergency Response Planning &
Security
Water System Mapping using GIS/GPS
Water System Operations & Maintenance
Water Treatment Certification Review
Water Treatment Process
Water Treatment/Distribution Certification Review
Well Performance Issues
Well Rehabilitation
Well Head Protection
